Dreamweaver is an Australian owned, airconditioned, 80ft Indonesian Jukung Outrigger powered by a 250hp diesel engine, and designed specifically for surf charters. This enables the boat to be faster (less travel time between waves), safer (no large amounts of flammable fuel, as on outboard powered boats) and more reliable, and facilitated with a 4.5 metre aluminium tender powered by a 15hp outboard to get you from the boat to the waves and back. Some of the other facilities onboard include: split system air conditioning, toilet and shower, 240 volt power with international adaptors for charging video cameras and appliances, CD/DVD, stereo, TV, (feel free to bring along your favourite CD's and DVD's), fishing equipment, snorkeling gear, spear guns, Radar, GPS, marine radio, safety equipment and comprehensive first aid kit. This style of boat is very stable, fast and roomy, it also has a shallow draft, thus being able to anchor in shallow smoother bays allowing for a more comfortable nights sleep. Dreamweaver sleeps up to 14 guests comfortably in large bunk style beds, although we do like to keep our number of guests down to 12, to save overcrowding in the surf. There is ample storage space for packs and surfboards, a large, covered, open air dining / chilling out area, and an air conditioned lounge and sleeping area.

A photographer can be arranged to accompany you on your trip, equipped with state of the art digital camera, laptop computer and full photo editing facilities, your photos can be printed on board or burned to CD for you to take home with you! Why spend your trip looking through a camera when you could be getting barreled instead!!

The highly experienced Captain and crew have a complete knowledge of all conditions, tides, swells and winds, ensuring that you arrive safely and comfortably to the best surfing locations, and with the aid of Radar, GPS, and powerful spotlights, The charter able to do most of the travelling during the night while you are sleeping, so you get more time at each break.

The boat take you and your friends on a classic surf trip, You will be visiting some of the most beautiful and exotic surf spots on the planet during your 7 days with Dreamweaver, there is also plenty of time to fish, dive and of course, kick back, relax and have fun, “MINIMUM TRAVEL TIME, MAXIMUM PLAYTIME”

THE FOOD

You wont go hungry on Dreamweaver, the crew supply three high-carbohydrate meals daily, pasta, chicken, fish, eggs, rice, fresh fruit and vegetables, etc etc, plus ample snacks, cold soft drinks, bottled water and four beers per day from the fully catered kitchen. You are also welcome to bring spirits on board if you prefer something stronger.

YOUR ADVENTURE

DAY ONE

Your seven-day, seven night adventure begins at approximately 7am on the first day, when you will be transferred from your hotel to Serangan Beach, approximately 15 minutes drive. From there, a leisurely boat trip across the Badung Strait on Dreamweaver to beautiful Nusa Lembongan. The rest of the day is yours to explore the island, or transfer by Zodiac to surf some of the world class reef breaks found here, such as, Shipwrecks, Lacerations, Razors and Playground.

DAY TWO

Very early the next morning, while you are still asleep, the crew will up anchor and head for the island of Lombok, where your adventure really begins at one of the longest, and best, left hand tubes in the world, Desert Point.

From here on, it is up to you and the other guests along with the Captain and his knowledge and experience as to where you go for the next six days.

At the end of the weeks trip you will be transported back to Serangan Beach in Bali and then to your hotel, or the airport if you require. You might decide to stay a few days in Nusa Lembongan where there is accommodation available to suit all tastes, we can arrange this for you if you desire.

WAVES ENCOUNTERED DURING YOUR TRIP

Sick, Filth, Long, Hollow, Perfect, Barreling, Intense, Deep, Spitting and Insane are some of the words our guests have used to describe their surfs!!

When conditions allow some other semi secret spots are accessed.

Booties, some light rubber and helmets are highly recommended as all spots break over reef. Also bring plenty of sun

protection, spare wax, leg ropes, fins etc and your favourite CD's and DVD's.
